ADAMS EXPRESS REDUCES CHURCHILL DOWNS MILE RECORD TO 1:37⅘.

T. M. Green Had Made New Mark of 1:38 Earlier in Day—Stone Street Runs Mile and an Eighth in Track Record Time.

Louisville, Ky., September 27.—Little Father's track record of 1:38¼ for one mile, established at Churchill Downs yesterday, did not stand long. It was twice bettered in the course of this afternoon's racing, and the end of the program found the mark for the distance reduced to 1:37⅘, only a fraction removed from the American record of 1:37½, established by Centre Shot at Santa Anita Park, December 22, 1908. The Churchill Downs course is in such a lightning-fast condition that it would be no surprise should the American record for the mile be reduced before the present meeting is over. The first reduction of the record came in the third race, when T. M. Green, making his first start since the Latonia summer meeting, ran the distance in 1:38, defeating the crack, Prince Ahmed, himself a record breaker at this meeting. T. M. Green's record was destined to be short lived, for in the fifth race, which, by the way, was a split of the third race, H. C. Hallenbeck's Adams Express, third choice in the betting, ran the mile in 1:37⅘, and it was the general impression that had he been urged he would have equaled, if not surpassed, the American record of 1:37½. The old Kentucky Derby winner, Stone Street, also came into the limelight by running a mile and an eighth in 1:51½, which equaled the track record made last year by Carlton G. Follie Levy's three-quarters in 1:11⅘ was also a noteworthy achievement from a time standpoint.

Aside from the fast time recorded in all the races, the sport was highly exciting and immensely enjoyed. Favorites were returned winners in three of the races, and as all of the best backed horses were contenders throughout the afternoon, they got some portion of the purses. Supporters of the short-priced ones had a profitable day of it.

The finish in the third race bordered on the sensational, T. M. Green and Prince Ahmed, after having raced most of the time on even terms, began a furious drive in the stretch. They measured strides almost until the last sixteenth, where Prince Ahmed began boring out and it was the main cause for his defeat, as T. M. Green kept straight to the finish and won by a nose. Helmet made a grand showing by landing in third place after closing an immense gap. Nimbus, considered a dangerous contender, was forced to retire early from the contest, due to having been taken with a hemorrhage.

The erratic Donau was in the main responsible for the record-breaking performance in the fifth race, as he forced a terrific pace for the first three-quarters. This benefited Adams Express, which was held under restraint until the Gerst racer tired. On Donau's retirement, Adams Express moved into the lead like a flash and he held Swannanoa safe in the stretch. The Cowdin filly would have been much more formidable but for a tangle at the start.

The handicap at three-quarters went to Follie Levy, which was on her best post behavior this afternoon. She had to be hard urged to outstay Stinger, which was making his first start since the removal of the ban imposed against him for inconsistent running during the summer meeting at Latonia. He ran in the interest of H. C. Hallenbeck this afternoon.

W. G. Yanke took another purse when The Hague scored a lucky victory in the second race over Queen Marguerite. The latter was probably best, but suffered interference in rounding the first turn and was given an overconfident ride by jockey Koerner. F. Starita, Queen Marguerite's trainer, bid up the winner from an entered price of $600 to $900, but failed to get her. The maiden race which opened the pragram, brought an upset by the easy win of C. L. Harrison's Bonanza. Jockey Taplin's energetic handling was responsible for Stone Street's victory in the closing dash over Sam Barber and Crow Robb.

Phil Hyams was among today's arrivals from New York and announced to the horsemen that the Gittins bill would surely come up in the New York Assembly. It is generally regarded in the east that the measure will succeed in going through the house and will receive the approval of Governor Dix.

Messrs. H. K. Knapp and F. R. Hitchcock have returned to New York, but will return to Kentucky for the Latonia meeting.

John C. Ferriss will ship a string of racers to Mexico City at the close of the local meeting.

Col. T. J. L. Brown, who served as presiding judge at Tampa and Pensacola, was among today's visitors.

Col. Matt J. Winn receievd a telegram today from Senor De la Arena, who is interested in Mexican racing, to the effect that he would arrive here on Saturday next. James Butler and Price McKinney, who are also identified with Mexican racing, will arrive here next week, and plans for the coming Juarez racing will be fully discussed and announced to the horsemen. There will be 100 days of racing at Juarez and probably thirty days of spring racing at Mexico City.

Most of the cheaper horses that trainer W. H. Karrick has in charge will be offered at auction during the Latonia meeting.

Presumption will return here after filling his engagement in a stake race at Woodbine on Saturday next.

Secretary Jasper is arranging for a special race designed to bring together the best sprinters at the course. A liberal purse will be provided by the management and it will be added to the regular card of six races. Owners will be consulted regarding conditions.

Donau, after his bad behavior at the post today, was again placed on the schooling list.

Col. Jack Chinn, John Fay and Jake Marklein were among today's visitors.

It practically has been settled that William Shelley will leave for Mexico City at the close of the racing here to begin getting things in condition for the seventeen-days meeting at the Mexican capital preceding the opening of Juarez. Mr. Shelley will also serve as presiding judge.

STANLEY PRODUCE STAKES TO POWDERMAN.

Valley Farm Stable Entry Wins Feature Race at Woodbine—Course Again Is Heavy.

Toronto, Ont., September 27.—The Stanley Produce Stakes, one of the annual features of the fall meetings at Woodbine, was provided as a feature by the Ontario Jockey Club this afternoon. The conditions of the race are framed after the Coney Island Jockey Club's Futurity, and entries to it closed three years ago. The field that went to the post in today's running was a small one, only five facing the barrier. The Seagram stable withdrew Bride Lane, depending upon Havrock. The race was generally regarded as an easy thing for Havrock, and he was backed almost to the exclusion of the others. Havrock flattered his backers by taking the lead rounding the first turn and showing in front until entering the homestretch, where the Valley Farm Stable entry, Powderman, which had been a keen contender, moved up and drew away into a long lead in the stretch. Powderman was ridden by McCahey, and his victory was easily scored.

The tabled history of the Stanley Produce Stakes is given below:

The Sefton Steelplechase furnished a stirring contest, Thistledale and Prince Hampton running in close order to the last turn of the field. At the end Thistledale weakened, and when the final test came Prince Hampton proved the gamest and won going away. Merry Man, the only other starter, bled. The pace in the race was fast from the start, and the winner reduced the Woodbine record for the distance. Prince Hampton's win marked the first time this fall that the colors of A. Henry Higginson of Boston, who races under the nom de course of "Mr. Chetland," were carried to victory.

Ben Loyal and Tipsand showed that they were good mud runners by making their opposition look cheap. Ben Loyal ran three-quarters in 1:13, remarkably fast time considering the condition of the track.

Edda furnished the biggest upset of the afternoon. Like Havrock, the Schorr filly looked to be in a soft spot and was heavily supported. Edda's chances were ruined on the first turn, where she was carried almost to the outside fence by Blanche Frances, jockey Wilson being forced to pull up. The filly closed a big gap, but the effort told in the final drive and she was unable to get to The Golden Butterfly, which won in a driving finish.

T. J. Healey, whose horses have been in excellent form this fall, sent the winner of the Voitiguer Plate to the post in R. T. Wilson's Beaucoup, which won in easy fashion. Taboo, one of the starters in this race, was jumped on and cut down.

Sixteen carloads of horses are booked for Laurel, according to Joseph McLennan. Two carloads will leave Thursday, three on Friday and eleven on Saturday. Some of the owners who will ship Thursday and Friday are: A. G. Blakeley, P. S. P. Randolph, P. M. Walker, J. W. Burtschell, Sam Louis, J. W. Hedrick, Edward Nash, A. Molinelli, William Walker and John Duffy, with T. R. Conran's string.

After Madrigalian won the seventh race, P. M. Walker purchased the colt from Mrs. Livingston at private sale.

Joseph McLennan will leave on Friday for Laurel, where he will act as racing secretary. Starter Dade will leave for the same place Saturday night.

HORSES WORKING OVER LAUREL TRACK.

Laurel, Md., September 27.—Another lot of horses arrived at Laurel yesterday from Baltimore, numbering fourteen. These horses were in three stables. Fred Musante came over with one, M. Kelly with three, and Ernest Utterback with ten. The last named string includes a likely lot, which have been given a rest and are now ready for hard work. Among those in the Utterback string are Hedge Rose, Black Branch, Wenna, Mollie S., Royal Onyx, Feramorz, Jeannette B. and Margaret Alice. James Bass came in from Sheepshead Bay with Hibernica. Others are to ship from that point tomorrow, according to Mr. Bass, who states that the horsemen are evincing keen interest in the Laurel meeting.

Owners everywhere are well pleased with the book of the meeting. There is more added money for the horsemen at Laurel than offered at any race track for some time past.

Jacquelina and Helen Barbee, from the stable of W. T. Anderson, were worked through the stretch yesterday morning. The track is faster than was looked for. Hugh Penny worked King Avondale a half mile in 53, with something left. Third Rail, Wood Dove and Thrifty were given useful gallops.

The horses owned by R. D. Williams were also given useful work. Donald Macdonald was sent the circuit of the track. This was the first work over the full mile course. This good horse was troubled with bad legs for a long time, and was looked on as ready to break down at any time. His rest the past summer seemingly has done him much good, and he probably will be a factor in the events in which he starts during the Laurel meeting. The three-year-old filly Darling has developed size and shows much early speed. She went three-eighths yesterday in 40.

The work at the track is being rushed along even faster than it was last week, and an extra force of workmen have been obtained in order to finish by Friday at the latest. The filling in and grading of the space between the grandstand and the outside fence of the track was commenced yesterday morning, and tonight it was completed. The work on the overhead bridge from the platform at which the race trains will arrive has been started. This will enable patrons to walk from the trains to the grandstand without stepping on the road.

Weights for the Maryland State Fair Inaugural Handicap, $2,500 added, for 3-year-olds and over, one mile, to be run Monday, October 2, have been announced as follows: Priscillian, 128; Plate Glass, 127; Hilarious, 124; Sir John Johnson, 118; Watervale, 117; Novelty, 117; Donald Macdonald, 116; Zeus, 115; Shannon, 115; Prince Ahmed, 114; Ocean Bound, 113; Jack Atkin, 111; Restigouche, 109; Hampton Court, 108; Spohn, 107; Guy Fisher, 106; Lawton Wiggins, 106; Star Charter, 105; Grasmere, 105; Polls, 104; Lahore, 103; Granite, 102; Question Mark, 100; Busy, 100; Raleigh P. The 700 stalls that will be available will accommodate all the horses that are likely to come here to race from October 2 to 31. The greater part of the stables have been applied for and allotted, but all comers will be looked after by the association. Manager Brown will welcome all horses or horsemen in good standing with the governing bodies and will provide accommodations for them all.

There are a number of steeplechasers that were not named for the stakes that will be brought to Laurel. Some of the owners of these horses have visited the track and are well pleased with the steeplechase course. The last jump is placed so that it will give the horses a long run through the stretch.

GOOD PATRONAGE AT COEUR D'ALENE.

Spokane, Wash., September 27.—Running right back to her last promising race and properly keyed up for the route, Ocean Queen today won the Spokane Handicap at Coeur d'Alene in a terrific stretch drive with Jack Paine and White Wool. She led from start to finish. Jack Paine made a gallant bid, but was not good enough.

The attendance was large and eighteen books, exclusive of the field and combination out-fits, cut in, which is the largest number so far. The sport is steadily gaining in popularity.

Stendal broke a leg in the first race and was destroyed.

W. B. Carson shipped his stable to Laurel tonight and jockey Hopkins accompanied him. The midget rider heads the list of winning jockeys here.

ENTRIES FOR PIMLICO STAKES.

Baltimore, Md., September 27.—Entries for the stakes of the Maryland Jockey Club hold out the promise of a remarkably good season of sport over the old Pimlico course. The meeting is to begin October 7 and continue until October 23. The stakes that closed recently were the Walden, Green Spring Valley Steeplechase, Pimlico Selling Stakes and the Bowie. Each brought a liberal response from the horsemen with quality well represented.

The Walden is at one mile for two-year-olds and almost all of the prominent racing stables are named among the nominations. The lot comprises:

W. D. Althouse's Fond; August Belmont's Vestibule, Tipsand, Mission and Lucky Lass; C. S. Campbell's Garth and Bwana Tumbo; Thomas Clyde's Avernus; William C. Eustis' Free and Easy; William Garth's Nottingham; H. C. Hallenbeck's Worth and Recompense; S. C. Hildreth's Surfeit and Gold Blade; J. D. Killen's Master Jim and Firbal; N. In addition to these, under the conditions of the stake, all the entries made for the Clabaugh Memorial and Pimlico Nursery, run at the spring meeting, are eligible for the Walden.

Mr. Archdale's Far West, Gold Plate and Supplement; Mr. Chetland's Sir Wooster, Toddy Blossom and Prince Hampton; A. B. Davidson's Garterman; J. E. The Pimlico Selling Stakes for three-year-olds and upward, at one mile and three-quarters, has the following eligibles:

J. F. Adams' Babbler; H. G. Bedwell's Nadzu; Beverwyck Stable's Bob R. and Aldrian; J. E. Davis' Firestone; O. F. Fleischmann's Dullcare; William Garth's Montgomery and Busy; S. C. Ryan's Pharaoh; Woods Stockton's Supervisor; R. M. Taylor's Ursa Major; William Walker's Michael Angelo; R. E. Watkins' Shelby; R. T. Wilson's Amalfi.

NOTES OF THE TURF.

Emory K. broke a leg at Oklahoma City Tuesday and was destroyed.

Ed Corrigan is at Churchill Downs daily and may sell his contract on jockey A. Wrispen before the meeting closes.

Trainer George Ham has two yearling fillies in training for William Gerst, one by Oddfellow and the other by Lissak.

Harry La Montagne's colt Fred Keene, O'Leary up, won the Prix Rochefort Steeplechase with supreme ease at Rambouillet in France Tuesday.

W. H. Shelley will be racing secretary and presiding judge for the meeting that Col. M. J. Winn will manage next month at Mexico City.

The veteran Green B. Morris is a daily attendant at the Louisville races. He has no horses now, having recently sold Workbox to W. O. Joplin.

Jockeys Kederis and Selden are getting along nicely at Coeur d'Alene, according to reports. Selden will be back in the saddle this week and Kederis' broken leg is mending rapidly.

Ten bookmakers are laying prices at the Oklahoma City meeting, including Sam Stephens, E. H. Hughes, Oates & Keisel, John Grant, Al Valentine, W. Davis, Charles Penn and Harry Anderson.

Tom Kiley, who rode Spokane in the Kentucky Derby of 1889, when that Montana-owned colt beat the sensational Proctor Knott, may go to France, where his old partner, Eugene Leigh, has achieved great success.

William Hurley, who for years trained the eastern division of E. R. Bradley's stable, is at Churchill Downs. He wants to buy several good horses to race in Mexico the coming winter. He has a coming two-year-old in training now which is one of the most promising yearlings he ever broke.

H. McCarren has purchased from August Belmont a yearling bay colt by Hastings. Mr. McCarren has three other yearlings of his own raising, all of which are by his own horse Hapsburg, a half-brother to the mighty Hamburg. Two of the youngsters are colts out of Florida Rose and Ethel Wheat.

Thomas Brown is assisting in the secretary's office at Churchill Downs. W. H. Shelley is serving as handicapper and clerk of the course. Capt. James Jacobs is in charge of the policing of the track. Eugene Elrod is superintending the betting ring and John Hachmeister is in charge of the financial administration of the pari-mutuel department.

The following notice has been posted by the Coeur d'Alene Fair and Racing Association: "The management desires to notify all, either directly or indirectly concerned, either as owners, trainers, jockeys or exercise boys, that the use of any electrical appliance to a dumb animal constitutes an offense against the criminal code of the State of Idaho and that an offender, when caught and convicted, will be liable to a heavy fine and imprisonment not exceeding five years. The Society for the Prevention of Cruelty to Animals has secret agents in daily attendance and will spare no expense to convict violators."

ANSWERS TO QUERIES.

B., Cincinnati, O. The bet on Spohn lost

F. B., Chicago. It should have read J. S. Ward.

M. J. T., Grand Rapids, Mich. It was a losing parlay.

A. A. D., Chicago. Give your name in full and send in date of the races and their numbers.

J. J., Detroit, Mich. In all you should have been paid $14.15, the parlay being void as to the Grefer entry.

Chas. J., Detroit, Mich. Jawbone was scratched. There was abundant show betting on Tourist and Arcite.

H. B., Chicago. The place bet won as a single bet on John H. Sheehan, and is to be paid as such, being void on the Grefer entry.

J. L. F. and W. E. F., Cincinnati, O. The parlay was void as to the Simons entry and the Grefer entry, and won on the others at the prices published in Daily Racing Form. You must make your own calculations.

J. W. G., Chicago. Merman ran for the parlay and, being defeated, it lost. Had he won, you would have been entitled to payment. People should bear in mind that while an owner may enter more than one horse in a selling race, he can only start one.

D. D. K., Cincinnati, O., and others elsewhere. My Gal had been claimed by P. M. Walker when beaten Saturday, and prior to her race of Monday had been sold back to her former owner, M. C. Prichard. This left Merman to run for those who had backed the Walker entry, overlooking the fact that it was a selling purse race, in which there could not be a coupled entry.

ADAMS EXPRESS REDUCES CHURCHILL DOWNS MILE RECORD TO 1:37⅘.

T. M. Green Had Made New Mark of 1:38 Earlier in Day—Stone Street Runs Mile and an Eighth in Track Record Time.

Louisville, Ky., September 27.—Little Father's track record of 1:38¼ for one mile, established at Churchill Downs yesterday, did not stand long. It was twice bettered in the course of this afternoon's racing, and the end of the program found the mark for the distance reduced to 1:37⅘, only a fraction removed from the American record of 1:37½, established by Centre Shot at Santa Anita Park, December 22, 1908. The Churchill Downs course is in such a lightning-fast condition that it would be no surprise should the American record for the mile be reduced before the present meeting is over. The first reduction of the record came in the third race, when T. M. Green, making his first start since the Latonia summer meeting, ran the distance in 1:38, defeating the crack, Prince Ahmed, himself a record breaker at this meeting. T. M. Green's record was destined to be short lived, for in the fifth race, which, by the way, was a split of the third race, H. C. Hallenbeck's Adams Express, third choice in the betting, ran the mile in 1:37⅘, and it was the general impression that had he been urged he would have equaled, if not surpassed, the American record of 1:37½. The old Kentucky Derby winner, Stone Street, also came into the limelight by running a mile and an eighth in 1:51½, which equaled the track record made last year by Carlton G. Follie Levy's three-quarters in 1:11⅘ was also a noteworthy achievement from a time standpoint.

Aside from the fast time recorded in all the races, the sport was highly exciting and immensely enjoyed. Favorites were returned winners in three of the races, and as all of the best backed horses were contenders throughout the afternoon, they got some portion of the purses. Supporters of the short-priced ones had a profitable day of it.

The finish in the third race bordered on the sensational, T. M. Green and Prince Ahmed, after having raced most of the time on even terms, began a furious drive in the stretch. They measured strides almost until the last sixteenth, where Prince Ahmed began boring out and it was the main cause for his defeat, as T. M. Green kept straight to the finish and won by a nose. Helmet made a grand showing by landing in third place after closing an immense gap. Nimbus, considered a dangerous contender, was forced to retire early from the contest, due to having been taken with a hemorrhage.

The erratic Bonau was in the main responsible for the record-breaking performance in the fifth race, as he forced a terrific pace for the first three-quarters. This benefited Adams Express, which was held under restraint until the Gerst racer tired. On Bonau's retirement, Adams Express moved into the lead like a flash and he held Swannanoa safe in the stretch. The Cowdin filly would have been much more formidable but for a tangle at the start.

The handicap at three-quarters went to Follie Levy, which was on her best post behavior this afternoon. She had to be hard urged to outstay Stinger, which was making his first start since the removal of the ban imposed against him for inconsistent running during the summer meeting at Latonia. He ran in the interest of H. C. Hallenbeck this afternoon.

W. G. Yanke took another purse when The Hague scored a lucky victory in the second race over Queen Marguerite. The latter was probably best, but suffered interference in rounding the first turn and was given an overconfident ride by jockey Koerner. F. Starita, Queen Marguerite's trainer, bid up the winner from an entered price of $600 to $900, but failed to get her. The maiden race which opened the pragram, brought an upset by the easy win of C. L. Harrison's Bonanza. Jockey Taplin's energetic handling was responsible for Stone Street's victory in the closing dash over Sam Barber and Crow Robb.

Phil Hyams was among today's arrivals from New York and announced to the horsemen that the Gittins bill would surely come up in the New York Assembly. It is generally regarded in the east that the measure will succeed in going through the house and will receive the approval of Governor Dix.

Messrs. H. K. Knapp and F. R. Hitchcock have returned to New York, but will return to Kentucky for the Latonia meeting.

John C. Ferriss will ship a string of racers to Mexico City at the close of the local meeting.

Col. T. J. L. Brown, who served as presiding judge at Tampa and Pensacola, was among today's visitors.

Col. Matt J. Winn receievd a telegram today from Senor De la Arena, who is interested in Mexican racing, to the effect that he would arrive here on Saturday next. James Butler and Price McKinney, who are also identified with Mexican racing, will arrive here next week, and plans for the coming Juarez racing will be fully discussed and announced to the horsemen. There will be 100 days of racing at Juarez and probably thirty days of spring racing at Mexico City.

Most of the cheaper horses that trainer W. H. Karrick has in charge will be offered at auction during the Latonia meeting.

Presumption will return here after filling his engagement in a stake race at Woodbine on Saturday next.

Secretary Jasper is arranging for a special race designed to bring together the best sprinters at the course. A liberal purse will be provided by the management and it will be added to the regular card of six races. Owners will be consulted regarding conditions.

Donau, after his bad behavior at the post today, was again placed on the schooling list.

Col. Jack Chinn, John Fay and Jake Marklein were among today's visitors.

It practically has been settled that William Shelley will leave for Mexico City at the close of the racing here to begin getting things in condition for the seventeen-days meeting at the Mexican capital preceding the opening of Juarez. Mr. Shelley will also serve as presiding judge.

STANLEY PRODUCE STAKES TO POWDERMAN.

Valley Farm Stable Entry Wins Feature Race at Woodbine—Course Again Is Heavy.

Toronto, Ont., September 27.—The Stanley Produce Stakes, one of the annual features of the fall meetings at Woodbine, was provided as a feature by the Ontario Jockey Club this afternoon. The conditions of the race are framed after the Coney Island Jockey Club's Futurity, and entries to it closed three years ago. The field that went to the post in today's running was a small one, only five facing the barrier. The Seagram stable withdrew Bride Lane, depending upon Havrock. The race was generally regarded as an easy thing for Havrock, and he was backed almost to the exclusion of the others. Havrock flattered his backers by taking the lead rounding the first turn and showing in front until entering the homestretch, where the Valley Farm Stable entry, Powderman, which had been a keen contender, moved up and drew away into a long lead in the stretch. Powderman was ridden by McCahey, and his victory was easily scored.

The tabled history of the Stanley Produce Stakes is given below:

The Sefton Steeplechase furnished a stirring contest, Thistledale and Prince Hampton running in close order to the last turn of the field. At the end Thistledale weakened, and when the final test came Prince Hampton proved the gamest and won going away. Merry Man, the only other starter, bled. The pace in the race was fast from the start, and the winner reduced the Woodbine record for the distance. Prince Hampton's win marked the first time this fall that the colors of A. Henry Higginson of Boston, who races under the nom de course of "Mr. Chetland," were carried to victory.

Ben Loyal and Tipsand showed that they were good mud runners by making their opposition look cheap. Ben Loyal ran three-quarters in 1:13, remarkably fast time considering the condition of the track.

Edda furnished the biggest upset of the afternoon. Like Havrock, the Schorr filly looked to be in a soft spot and was heavily supported. Edda's chances were ruined on the first turn, where she was carried almost to the outside fence by Blanche Frances, jockey Wilson being forced to pull up. The filly closed a big gap, but the effort told in the final drive and she was unable to get to The Golden Butterfly, which won in a driving finish.

T. J. Healey, whose horses have been in excellent form this fall, sent the winner of the Voltiguer Plate to the post in R. T. Wilson's Beaucoup, which won in easy fashion. Taboo, one of the starters in this race, was jumped on and cut down.

Sixteen carloads of horses are booked for Laurel, according to Joseph McLennan. Two carloads will leave Thursday, three on Friday and eleven on Saturday. Some of the owners who will ship Thursday and Friday are: A. G. Blakeley, P. S. P. Randolph, P. M. Walker, J. W. Burtschell, Sam Louis, J. W. Hedrick, Edward Nash, A. Molinelli, William Walker and John Duffy, with T. R. Condran's string.

After Madrigalian won the seventh race, P. M. Walker purchased the colt from Mrs. Livingston at private sale.

Joseph McLennan will leave on Friday for Laurel, where he will act as racing secretary. Starter Dade will leave for the same place Saturday night.

HORSES WORKING OVER LAUREL TRACK.

Laurel, Md., September 27.—Another lot of horses arrived at Laurel yesterday from Baltimore, numbering fourteen. These horses were in three stables. Fred Musante came over with one, M. Kelly with three, and Ernest Utterback with ten. The last named string includes a likely lot, which have been given a rest and are now ready for hard work. Among those in the Utterback string are Hedge Rose, Black Branch, Wenna, Mollie S., Royal Onyx, Feramorz, Jeannette B. and Margaret Alice. James Bass came in from Sheepshead Bay with Hibernica. Others are to ship from that point tomorrow, according to Mr. Bass, who states that the horsemen are evincing keen interest in the Laurel meeting.

Owners everywhere are well pleased with the book of the meeting. There is more added money for the horsemen at Laurel than offered at any race track for some time past.

Jacquelina and Helen Barbee, from the stable of W. T. Anderson, were worked through the stretch yesterday morning. The track is faster than was looked for. Hugh Penny worked King Avondale a half mile in 53, with something left. Third Rail, Wood Dove and Thrifty were given useful gallops.

The horses owned by R. D. Williams were also given useful work. Donald Macdonald was sent the circuit of the track. This was the first work over the full mile course. This good horse was troubled with bad legs for a long time, and was looked on as ready to break down at any time. His rest the past summer seemingly has done him much good, and he probably will be a factor in the events in which he starts during the Laurel meeting. The three-year-old filly Darling has developed size and shows much early speed. She went three-eighths yesterday in 40.

The work at the track is being rushed along even faster than it was last week, and an extra force of workmen have been obtained in order to finish by Friday at the latest. The filling in and grading of the space between the grandstand and the outside fence of the track was commenced yesterday morning, and tonight it was completed. The work on the overhead bridge from the platform at which the race trains will arrive has been started. This will enable patrons to walk from the trains to the grandstand without stepping on the road.

Weights for the Maryland State Fair Inaugural Handicap, $2,500 added, for 3-year-olds and over, one mile, to be run Monday, October 2, have been announced as follows: Priscillian, 128; Plate Glass, 127; Hilarious, 124; Sir John Johnson, 118; Watervale, 117; Novelty, 117; Donald Macdonald, 116; Zeus, 115; Shannon, 115; Prince Ahmed, 114; Ocean Bound, 113; Jack Atkin, 111; Restigouche, 109; Hampton Court, 108; Spohn, 107; Guy Fisher, 106; Lawton Wiggins, 106; Star Charter, 105; Grasmere, 105; Polls, 104; Lahore, 103; Granite, 102; Question Mark, 100; Busy, 100; Raleigh P. The 700 stalls that will be available will accommodate all the horses that are likely to come here to race from October 2 to 31. The greater part of the stables have been applied for and allotted, but all comers will be looked after by the association. Manager Brown will welcome all horses or horsemen in good standing with the governing bodies and will provide accommodations for them all.

There are a number of steeplechasers that were not named for the stakes that will be brought to Laurel. Some of the owners of these horses have visited the track and are well pleased with the steeplechase course. The last jump is placed so that it will give the horses a long run through the stretch.

GOOD PATRONAGE AT COEUR D'ALENE.

Spokane, Wash., September 27.—Running right back to her last promising race and properly keyed up for the route, Ocean Queen today won the Spokane Handicap at Coeur d'Alene in a terrific stretch drive with Jack Paine and White Wool. She led from start to finish. Jack Paine made a gallant bid, but was not good enough.

The attendance was large and eighteen books, exclusive of the field and combination out-fits, cut in, which is the largest number so far. The sport is steadily gaining in popularity.

Stendal broke a leg in the first race and was destroyed.

W. B. Carson shipped his stable to Laurel tonight and jockey Hopkins accompanied him. The midget rider heads the list of winning jockeys here.

ENTRIES FOR PIMLICO STAKES.

Baltimore, Md., September 27.—Entries for the stakes of the Maryland Jockey Club hold out the promise of a remarkably good season of sport over the old Pimlico course. The meeting is to begin October 7 and continue until October 23. The stakes that closed recently were the Walden, Green Spring Valley Steeplechase, Pimlico Selling Stakes and the Bowie. Each brought a liberal response from the horsemen with quality well represented.

The Walden is at one mile for two-year-olds and almost all of the prominent racing stables are named among the nominations. The lot comprises:

W. D. Althouse's Fond; August Belmont's Vestibule, Tipsand, Mission and Lucky Lass; C. S. Campbell's Garth and Bwana Tumbo; Thomas Clyde's Avernus; William C. Eustis' Free and Easy; William Garth's Nottingham; H. C. Hallenbeck's Worth and Recompense; S. C. Hildreth's Surfeit and Gold Blade; J. D. Killen's Master Jim and Firbal; N. In addition to these, under the conditions of the stake, all the entries made for the Clabaugh Memorial and Pimlico Nursery, run at the spring meeting, are eligible for the Walden.

Mr. Archdale's Far West, Gold Plate and Supplement; Mr. Chetland's Sir Wooster, Toddy Blossom and Prince Hampton; A. B. Davidson's Garterman; J. E. The Pimlico Selling Stakes for three-year-olds and upward, at one mile and three-quarters, has the following eligibles:

J. F. Adams' Babbler; H. G. Bedwell's Nadzu; Beverwyck Stable's Bob R. and Aldrian; J. E. Davis' Firestone; O. F. Fleischmann's Dullcare; William Garth's Montgomery and Busy; S. C. NOTES OF THE TURF.

Emory K. broke a leg at Oklahoma City Tuesday and was destroyed.

Ed Corrigan is at Churchill Downs daily and may sell his contract on jockey A. Wrispen before the meeting closes.

Trainer George Ham has two yearling fillies in training for William Gerst, one by Oddfellow and the other by Lissak.

Harry La Montagne's colt Fred Keene, O'Leary up, won the Prix Rochefort Steeplechase with supreme ease at Rambouillet in France Tuesday.

W. H. Shelley will be racing secretary and presiding judge for the meeting that Col. M. J. Winn will manage next month at Mexico City.

The veteran Green B. Morris is a daily attendant at the Louisville races. He has no horses now, having recently sold Workbox to W. O. Joplin.

Jockeys Kederis and Selden are getting along nicely at Coeur d'Alene, according to reports. Selden will be back in the saddle this week and Kederis' broken leg is mending rapidly.

Ten bookmakers are laying prices at the Oklahoma City meeting, including Sam Stephens, E. H. Hughes, Oates & Keisel, John Grant, Al Valentine, W. Davis, Charles Penn and Harry Anderson.

Tom Kiley, who rode Spokane in the Kentucky Derby of 1889, when that Montana-owned colt beat the sensational Proctor Knott, may go to France, where his old partner, Eugene Leigh, has achieved great success.

William Hurley, who for years trained the eastern division of E. R. Bradley's stable, is at Churchill Downs. He wants to buy several good horses to race in Mexico the coming winter. He has a coming two-year-old in training now which is one of the most promising yearlings he ever broke.

H. McCarren has purchased from August Belmont a yearling bay colt by Hastings. Mr. McCarren has three other yearlings of his own raising, all of which are by his own horse Hapsburg, a half-brother to the mighty Hamburg. Two of the youngsters are colts out of Florida Rose and Ethel Wheat.

Thomas Brown is assisting in the secretary's office at Churchill Downs. W. H. Shelley is serving as handicapper and clerk of the course. Capt. James Jacobs is in charge of the policing of the track. Eugene Elrod is superintending the betting ring and John Hachmeister is in charge of the financial administration of the pari-mutuel department.

The following notice has been posted by the Coeur d'Alene Fair and Racing Association: "The management desires to notify all, either directly or indirectly concerned, either as owners, trainers, jockeys or exercise boys, that the use of any electrical appliance to a dumb animal constitutes an offense against the criminal code of the State of Idaho and that an offender, when caught and convicted, will be liable to a heavy fine and imprisonment not exceeding five years. The Society for the Prevention of Cruelty to Animals has secret agents in daily attendance and will spare no expense to convict violators."

ANSWERS TO QUERIES.

B., Cincinnati, O. The bet on Spohn lost

F. B., Chicago. It should have read J. S. Ward.

M. J. T., Grand Rapids, Mich. It was a losing parlay.

A. A. D., Chicago. Give your name in full and send in date of the races and their numbers.

J. J., Detroit, Mich. In all you should have been paid $14.15, the parlay being void as to the Grefer entry.

Chas. J., Detroit. Mich. Jawbone was scratched. There was abundant show betting on Tourist and Arcite.

H. B., Chicago. The place bet won as a single bet on John H. Sheehan, and is to be paid as such, being void on the Grefer entry.

J. L. F. and W. E. F., Cincinnati, O. The parlay was void as to the Simons entry and the Grefer entry, and won on the others at the prices published in Daily Racing Form. You must make your own calculations.

J. W. G., Chicago. Merman ran for the parlay and, being defeated, it lost. Had he won, you would have been entitled to payment. People should bear in mind that while an owner may enter more than one horse in a selling race, he can only start one.

D. D. K., Cincinnati, O., and others elsewhere. My Gal had been claimed by P. M. Walker when beaten Saturday, and prior to her race of Monday had been sold back to her former owner, M. C. Prichard. This left Merman to run for those who had backed the Walker entry, overlooking the fact that it was a selling purse race, in which there could not be a coupled entry.
